**Apprenticeship Placement  
Team Manager**

# What is an apprenticeship?

Earn while you learn!

- A **work based** qualification designed to develop skills, knowledge, and hands-on experience in the workplace, and provide you with an industry-recognised qualification
- **A job** – with support from your employer and training provider/college.
- Study and achieve a degree through the apprenticeship route!!

# Myths!

**Apprenticeships are for people who do not perform well academically**

**Apprenticeships are badly paid**

**Apprenticeships are only for manual or trade jobs**

**Apprentices are given all the boring tasks**

**Apprenticeships don't provide you with any useful qualifications for your future career**

**Apprenticeships are only for secondary school leavers**

**Apprentices have no scope for progression**
