Help with the cost of uniform and PE kit

We understand that buying uniform and PE kit for your child can be expensive. If this is a worry for you, the Academy can offer you a £50 voucher to be used at NK Sports in Worle.

How the scheme works

You will need to decide if you would like to use your voucher or claim through providing receipts from another store. If you choose to claim by sending receipts please remember that it can take around two to three weeks for the refund to show in your bank account and that there are no staff available to process your claim during the school holidays.

Please note only uniform bought between 1st August 2024— 1st June 2025 is eligible to be reimbursed.

Uniform Store at the Academy

The Academy also runs a uniform 'store' where clean, used uniform in good condition is available for students to use. Your child can speak to the staff in our Academy Skills Centre (ASC) to find out how this works.

If you have any uniform items that you have grown out of, any donations would be really appreciated.

I have already bought my child's uniform as I wasn't aware of this funding?

Any uniform bought from 1st August 2024 can be reimbursed up to £50 by the Academy.

Can I use a mixture of voucher and receipts?

If you spend less than £50 through NK Sports with your voucher you can use the remaining funding on uniform at a later date.

The Academy will need to process the remaining funding through receipts. This can only be processed once the store has invoiced your voucher to the Academy. This will confirm the remaining funding available for your refund.

If I have claimed through a receipt can I still be issued a voucher for the remaining funding?

No, as the voucher amount is set at £50.

Thank you but I don't feel like I need this voucher –what will happen to this unused funding?

The Academy aims to work together with families about how to use funding therefore we do not automatically fund resources as this is not always welcomed or needed. The unused funding will be put towards much needed provisions within Pupil Premium. The funding is ring-fenced therefore the funding will always be used to support Pupil Premium services.

Is there any other funding available and how else is Pupil Premium being used this academic year?

This funding is protected for your child for the academic year. If further funding becomes available through the year we will provide further information.

Pupil Premium is used in a variety of ways to support your child. Examples include the house mentors role and our Educational and Enrichment funding. Please see our full report on the use and impact of Pupil Premium on our school website.
