## Frequently Asked Questions

### What is Pupil Premium?

Pupil Premium is funding from the government to help students reach their full potential at school. Here are some example reasons:

- A student could be on Free School Meals or have been in the past six years or
- A student who is currently being looked after by the local authority or
- A student known to the Academy to have been adopted within the UK from Local Authority care; or
- A student who has a parent who is serving in the armed forces. These students are eligible for different funding - Service Pupil Premium

### Will people know if I'm on Pupil Premium and why?

There are many reasons why students are Pupil Premium and this is private and personal to them. This means other students will not know the reason why someone is Pupil Premium.

### How do I apply for Free School Meals?

Application forms are available on the North Somerset Council website. Please contact us if you need support applying.
