

Appendix 13 - Consent for Processing Personal Data for Pupils in Key Stage 3 and 4

We use consent as our basis to process our pupil's personal data in certain circumstances. This form details the activities in which we use consent. Please note there are certain activities where we do not use consent as the basis for processing data. These are described in our Privacy Notices which can be found on our [website](#) and which are available in hard copy form from the School Office.

Please also note:

- Unless you have given your express consent, we will never put a pupil's full name alongside any published image.
- Videos may be taken of lessons to support staff development; these may be seen by other teachers in school for staff training.
- We may also take photos/video of the pupil for identification purposes, and for evidencing their educational development. Such data will sit on their file and not be shared unless the law requires us to do so, or you have given your specific consent.
- Where video or sound recording is required as part of an exam course for moderation purposes (such as (but not limited to) Drama, Dance, PE, etc.) consent is not required other than opting to choose to study the course.
- Parents / carers are welcome to take videos and photos of **their** children at school events for **their own personal use**. However, to respect everyone's privacy rights and in some cases protection, these images **should not** be published / made publicly available on social networking sites, nor should parents / carers comment on any activities involving other pupils in the images / footage.
- Websites and social media can be viewed throughout the world and not just in the United Kingdom, where UK law applies. When images are posted on the internet, it is not possible to prevent others from reposting them.
- Additional and specific consent for use by external agencies/companies may be sought.

Please be aware you can withdraw consent at any time. If you have any queries or wish to withdraw, or review your consent, contact churchill@churchill@academy.org or the school's Data Protection Officer iwest@bathnes.gov.uk

Consent for Processing of Biometric Data

We use our pupils' biometric data for **cashless catering** purposes. Having a cashless school is a security measure for both the school and its pupils.

Catering payments are controlled by your / your child's fingerprint.

The biometric data is stored securely within the school's servers, which are based in the UK. Access to the stored data is restricted to Administrators and IT staff, and is deleted as soon as the pupil leaves the school.

We are obliged to inform all those with parental responsibility of our use of biometric data, although written consent is only required from one person with

parental responsibility, as well as the pupil. If there is any reason why we should not inform all those with parental responsibility, please advise us below.

You may withdraw your consent for the use of biometric data at any time. If you have any queries in this regard, or wish to withdraw your consent, please contact the school office, or the school's Data Protection Officer: i-west@bathnes.gov.uk
