ACADEMY INFORMATION

For Year 7 entry
September 2026

Welcome

One of the most important decisions you will make is choosing the right secondary school for your child, and at Churchill, we believe we offer an excellent option.

We all want to see our children thrive and succeed. At Churchill, our dedicated team of teaching and support staff work tirelessly to bring out the best in every student, providing varied opportunities for them to develop skills, knowledge, character, and confidence. We achieve this through a strong, mutually supportive partnership between school and home.

On behalf of everyone at Churchill Academy & Sixth Form, we look forward to welcoming your child and being a part of shaping their future.

Chris Hildrew
Headteacher

Our Purpose:

to inspire and enable young people to make a positive difference.

Our Vision:

to set no limits on what we can achieve.

Our Values

“Intelligence plus character – that is the goal of true education.”

Martin Luther King Jr.

Kindness

“A single act of kindness throws out roots in all directions, and the roots spring up and make new trees.”

Amelia Earhart

Curiosity

“The mind is not a vessel to be filled, but a fire to be kindled”

Plutarch

Determination

“Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time.”

Thomas Edison

Academy Structure

Teaching at Churchill is organised by subject into faculties. Each faculty is staffed by experts who are so passionate about their specialisms that they have dedicated their careers to inspiring that same enthusiasm in our students.

Our Student Services team provides additional support to those who need it. We cater for the diverse needs of our students, empowering them to overcome challenges and make the most of their education.

House System

Scan for more
on our House System.

Every student at Churchill Academy belongs to one of five houses, named after the royal houses of England, which serve as their "home" within the school. Each house is led by a Head of House, and two student House Captains, with a dedicated team of tutors. Tutor groups consist of students from all year groups. This fosters a sense of belonging, allowing students to support one another socially, personally, and academically, while building a secure foundation for their learning journey.

We also encourage a healthy sense of competition through inter-house activities, which add to the excitement and spirit of our school community.

Extra Curricular Activities

View our current extra-curricular activities.

Every student is encouraged to explore their potential, discover new talents, and to grow academically and personally.

We offer a rich and varied curriculum that balances academic achievements with a wealth of extracurricular activities, for a well-rounded education.

Extracurricular activities take place during social times and after school, providing an inclusive and enriching experience for all students. We also hold an annual Activities Week for students in Years 7, 8 and 9, which is designed to support our students' personal development even further by offering unique opportunities in school, across the UK and abroad.

Our extracurricular offer includes academics, sports, creative arts, careers development, performing arts, debating, games, and more!

The Academy welcomes up to 270 students into Year 7 each year, with around a third of our students joining from outside our defined catchment area. By making Churchill the first choice on your admissions selection, you give your child the best chance of securing a place.

We welcome students from a wide range of primary schools. To ensure a smooth transition, we plan to visit every child who has secured a place in Year 7 at their primary school. We work closely with their primary school to support each student as they transition to secondary school.

 **...to Secondary School...**

In addition, all students who have secured a place will have a Transition Day at Churchill Academy & Sixth Form in Term 6. Many students will also take advantage of our Drama Day and other exciting activities to help familiarise themselves with the Academy ahead of joining us in September 2026.

We also offer a specialised transition programme for students with special educational needs, which includes additional visits to the Academy. This ensures that their individual needs are fully supported from the start.

Before we know it, students will be proudly wearing their Churchill uniform and guiding new students at next year's Open Evening!

At the Academy, we guide students through their entire secondary education, from Year 7 to Year 13. Our successful Sixth Form offers a natural progression for students, allowing them to complete their post-16 studies in a familiar and supportive environment.

Our Sixth Form isn't just a place for further study, it's a hub of leadership and inspiration. Our Sixth Form students play a crucial role in our community, mentoring younger pupils and helping to shape the Academy's culture.

...to Sixth Form.

What's it like to start at Churchill?

"On the first day, I had no worries at all. I knew that as soon as I stepped into the Academy, I would be safe and sound. With the community being extremely welcoming, by the second day, this wonderful school felt like a second home. Welcoming, happy and vibrant.

The transition worked like magic. Settling in, I actually needed no help. I felt welcome from the start, and it was lovely to have the freedom to walk around.

This academic year is going to be great - I can feel it already! I can't wait for Year 8 and beyond, because this school is magnificent!"

Seb, Year 7 student
