

Welcome to the 2025 Annual Careers Convention

CAREERS CONVENTION

Meet 50 local and national employers, apprenticeship providers, colleges and Universities! Explore careers and your post-16 and post-18 options

 **Thursday 27th
November**

 **6pm - 8pm**

 **Churchill
Academy &
Sixth Form**

Students please register [here](#) if planning to come

Spread across the Main Hall, Lancaster and Stuart buildings, this fantastic event brings together a huge range of employers, colleges, universities and training providers keen to meet you in person, inspire you about careers and education pathways, and tell you about what they can offer you. Below are some suggestions of what you can expect to gain by attending.

Education and training providers can tell you about:

- Education pathways to careers
- Post-16 and post-18 qualifications and what they can lead to
- Apprenticeship training provision and apprenticeship employers
- Why you should study/train with them
- Admissions and entry criteria (including portfolio requirements)
- Bursaries and scholarships
- SEND and pastoral support
- Campus locations

Employers can tell you about:

- Careers relevant to their organisation and/or sector
- Why you should work for them
- Apprenticeships - what they offer, when they recruit and what skills and experience they are they looking for
- Internships and graduate schemes
- Work experience placements
- Seasonal/part-time jobs
- Diversity and inclusion in the workplace
- Office locations

We have a series of talks taking place during the evening - go to [page 5](#) for topics.

See the organisations attending below and use the bookmark links (or continue scrolling) for information about each and what they can offer you, to include apprenticeships, work experience and more!

Langford Vets (Stuart Well)

Local	Work Experience	Apprenticeships	Grad Schemes
--------------	------------------------	------------------------	---------------------

Langford Vets provide undergraduate and postgraduate clinical teaching for the veterinary and veterinary nursing students at the University of Bristol Vet School.

We offer local 'first opinion' vet care for all pets, farm animals and horses. Our specialist-led Small Animal Referral Hospital has the largest team of Diploma level veterinary specialists in the southwest, taking referrals for pets needing more intensive treatments and investigations. All of these are supported by our state-of-the-art diagnostic laboratories. These facilities, and the expertise of our teams enable us to deliver the very best clinical care and client service day and night throughout the year.

Lighthouse Schools Partnership (Lancaster Well)

Local	Work Experience	Apprenticeships
--------------	------------------------	------------------------

The Lighthouse Schools Partnership is a charitable, not-for-profit Trust providing education for children and young people from Nursery to Sixth Form across 34 schools. We believe that education transforms lives — for the better and for the long term. Our staff are central to this mission and we are committed to investing in their growth, wellbeing, and professional excellence. If you are considering a career in teaching, or exploring one of the many other rewarding roles within a school community, we would be delighted to speak with you and share more about the opportunities available.

Mendip Activity Centre (Lancaster Well)

Local	Work Experience	Apprenticeships
--------------	------------------------	------------------------

Established in 1987, Mendip Adventure is a national activity, education and training provider setting the gold standard in adventure and training. Our flagship site is Mendip Activity Centre but there are several brands in our family. Our goal is to inspire everyone, everywhere, to make time for adventure. We do this by working with schools, families, individuals, groups and teams, and aim to inspire as many as possible. We deliver high-quality and important outdoor education with professionalism and passion through the pillars of Adventure, Learning and Training.

National Grid Electricity Distribution (Stuart Well)

Local	Work Experience	Apprenticeships	Grad Schemes
--------------	------------------------	------------------------	---------------------

We're the people providing the power, managing the electricity distribution network for the Midlands, South West and Wales. We deliver essential electricity to millions of homes and businesses. We deliver electricity to over 8 million customers over a 55500 square kilometres service area and we employ over 6500 staff. We offer work experience, graduate training scheme and several apprenticeship schemes – full current information available on the “Careers” section of our website.

Robin King Estate Agents (Stuart Well)

Local	Work Experience
--------------	------------------------

We are multi-award-winning property specialists with over 30 years of delivering outstanding service to the local community. We deal with residential sales, lettings & student lettings, land & new homes, development, and property refurbishment. Please come and say hello to our friendly team if you are interested in knowing more about the property industry and the different exciting career paths available.

Royal Air Force (Lancaster Well)

Apprenticeships	Grad Schemes	International
------------------------	---------------------	----------------------

For over a hundred years the Royal Air Force has defended the skies of Britain. We work with our UK and international partners to watch the skies, respond to threats, prevent conflict, and provide assistance.

A career in the RAF is about discovering your natural talent and working together to find out what makes you happy, productive and brings you the most value in your life. You'll be given opportunities you won't find in any other career and, equipped with the skills and training we give to you, you'll be working at the top of your field in the UK and overseas.

Royal Navy (Lancaster Well)

Apprenticeships	Grad Schemes	International
------------------------	---------------------	----------------------

The Royal Navy is key to protecting our nation's interests across the world. Our people – people like you – are prepared to act at a moment's notice, all in the name of serving our country. Have you got what it takes?

A job in the Royal Navy means adventure, camaraderie, and lifelong prospects. Every day is different, whether you're policing oceans, delivering aid during disasters, or engaged in combat. Join us and be a key part of global operations. Ready for adventure?

S&W (Lancaster Well)

Local	Apprenticeships	Grad Schemes
--------------	------------------------	---------------------

As the fastest growing UK top ten accountancy firm, we've been there, helping businesses and individuals meet challenges and seize opportunities across generations. We provide an extensive range of services across tax, accountancy, audit, assurance, advisory, corporate finance and digital services.

We take pride in our differences and are united by our dedication to each other and our clients. Inclusivity and integrity are the cornerstones of everything we do.

We offer apprenticeships in audit, tax and accountancy. If this interests you, you're eager to learn, enjoy building relationships and are ambitious, come and talk to us to find out more.

Smith Consult (Stuart Well)

Local	Work Experience	Apprenticeships	Grad Schemes
--------------	------------------------	------------------------	---------------------

Ever wondered who makes buildings come alive? Building Services Engineers design the systems that keep spaces safe, comfortable, and sustainable - like heating, lighting, ventilation, and energy. At Smith Consult, we're the brains behind the scenes, working with architects and clients to create smarter schools, hospitals, and community spaces. Our engineers blend creativity with technical skill to solve real-world challenges, from cutting carbon to powering innovation. If you're into problem-solving, teamwork, and making a difference, this career could be for you. Come and chat with us about shaping the future of buildings from the inside out.

St Monica Trust (Stuart Well)

Local	Work Experience	Apprenticeships
--------------	------------------------	------------------------

The St Monica Trust was founded on a commitment to support older people in their own communities, in addition to those who live in our care homes and retirement villages. When you join the St Monica Trust family you join an organisation built on 100 years of trust, thanks to the people who work for us. Together, we foster a strong team spirit. With our competitive rewards and benefits package, and our comprehensive training and development, you'll receive all the support you need to have a rich and accomplished career.

Taylor Wimpey Bristol (Stuart Well)

Work Experience	Apprenticeships	Grad Schemes	International
P-T Jobs

SGS College - Bristol

Post-16	Post-18	Apprenticeship Training	Local
---------	---------	-------------------------	-------

We offer a vast range of courses in an even wider range of subjects from business to sport, performing arts to media so whatever you want to study, there's bound to be something for you. Our Filton and WISE campuses are within easy reach of Bristol City centre, while our Stroud campus is based in the beautiful Five Valleys in the county of Gloucestershire and Berkeley at the innovative Gloucestershire Science & Technology Park. We also have our creative focused site in the centre of Bristol, at the West of England Academy of Art and the new SGS Horizon Construction Apprenticeship Centre in Filton.

SGS Higher Education & University Centre

Post-18	Apprenticeship Training	Local
---------	-------------------------	-------

Voted #1 in Bristol in 2025 (NSS) for Teaching and Quality for our degree and Higher National courses.

We offer degrees in subjects from business to sport, performing arts to media and much more. Our University Centre is based at our SGS WISE campus, with our Fine Art & Material Practice degree being delivered at Bristol School of Art in the centre of Clifton and our Zoological Management and Conservation degree being delivered at Bristol's new Zoo, at Bristol Zoo Project. Our degrees are awarded by the University of Gloucestershire, with flexible study options available. Website: uni.sgscol.ac.uk

The University of Law

Post-18	Apprenticeship Training
---------	-------------------------

The University of Law is one of the UK's longest-established specialist universities for legal and business education. We offer a wide range of courses designed to prepare you for exciting careers in law, business, criminology, psychology, and computer science.

Our teaching is delivered by experienced professionals, and we focus on hands-on learning to help you build real skills for your future. Whether you're thinking about university, apprenticeships, or exploring your career options, visit our stand to find out how The University of Law can help you reach your goals and make your ambitions a reality.

UCS College Group

Post-16	Apprenticeship Training	Local
---------	-------------------------	-------

UCS College Group (formally Bridgwater & Taunton College and Strode College) is based in the heart of Somerset, with colleges in Bridgwater, Cannington, Strode and Taunton. The Group has an exceptional reputation both regionally and nationally as a leading provider of education and training. We are committed to helping every student fulfil their potential and become the best they can be.

University Centre Somerset (UCS)

Post-18	Apprenticeship Training	Local
---------	-------------------------	-------

Degrees for Real Life: UCS offers a wide range of higher education courses, including degrees and higher apprenticeships, across our four campuses in Bridgwater, Cannington, Strode, and Taunton. We're dedicated to transforming lives through aspirational teaching, learning, and skills development.

University Centre Weston (UCW)

Post-18	Apprenticeship Training	Local
---------	-------------------------	-------

UCW provides a wide range of degree level programmes and short courses that will enable you to reach the next level or help you kickstart your career. From employer-based higher apprenticeships to full-time degrees and Higher Technical Qualifications, all programmes are designed in partnership with UWE Bristol and Bath Spa University. Our diverse range of courses attract learners from all walks of life. We're smaller in size, but bigger in opportunity. Our smaller classes mean learners receive more interaction and engagement from our industry connected lecturing staff as well as the incredible student support on offer from our HEART team.

University of Exeter (member of the Russell Group)

Post-18	Apprenticeship Training	Local
---------	-------------------------	-------

Across our campuses in Exeter and Cornwall and throughout the world, our diverse community is making a difference. From our world-class research centres to our student volunteering society, everyone across the University of Exeter community plays their part in combating the biggest challenges that our planet and people are facing today, so that we can ensure a prosperous tomorrow. As a Russell Group institution, we know that our students and our research have the potential to make a truly amazing impact. However, while everyone talks about a better future, our actions are the proof that we are making it happen.

University of Gloucestershire

Post-18	Local
---------	-------

Join the University of Gloucestershire and you'll benefit from professional-standard facilities in the beautiful, historic surroundings of Cheltenham and Gloucester. As we offer a wide variety of courses, you'll have the best of both worlds - a large learning community with more than 80 societies and sports clubs to enjoy while also benefiting from lecturers who know and value you as an individual.

UWE Bristol

Post-18	Apprenticeship Training	Local
---------	-------------------------	-------

At the University of the West of England, or UWE Bristol as we're more commonly known, we offer almost 700 courses covering a vast range of subject areas, all of which are practice-based and designed to equip students for the real world. Come and chat with one of our UWE staff members to find out more about our university, courses, facilities and support services, as well as student life in the fantastic city of Bristol.

Weston College

Post-16	Apprenticeship Training	Local
---------	-------------------------	-------

Weston College provides education and vocational training to nearly 30,000 learners across the country. We put the learner first, are entrepreneurial in approach and innovative in our thinking. As a college, we are ambitious and aspirational and are responsive to the needs of students, staff, businesses and the community.

With campuses in and around Weston-super-Mare, all are within walking distance of the train station and/or First Bus or the college's Bakers Dolphin bus routes.
