Talks and Presentations

- Teaching and Education Careers - Lighthouse Schools Partnership
- Aviation Careers (covering engineering, pilot and cabin crew) - easyJet
- An Introduction to Apprenticeships - Thatchers Cider

Spread across the Hall plus Lancaster and Stuart buildings, this fantastic event brings together a huge range of employers, colleges, universities and training providers keen to meet you in person, inspire you about careers and education pathways, and tell you about what they can offer you. Below are some suggestions of what you can expect to gain by attending.

Education and training providers can tell you about:

- Education pathways to careers
- Post-16 and post-18 qualifications and what they can lead to
- Apprenticeship training provision and apprenticeship employers
- Why you should study/train with them
- Admissions and entry criteria (including portfolio requirements)
- Bursaries and scholarships
- SEND and pastoral support
- Campus locations

Employers can tell you about:

- Careers relevant to their organisation and/or sector
- Why you should work for them
- Apprenticeships - what they offer, when they recruit and what skills and experience they are they looking for
- Internships and graduate schemes
- Work experience placements
- Seasonal/part-time jobs
- Diversity and inclusion in the workplace
- Office locations
